STANDING COMMITTEES OF THE NATIONAL COUNCIL

2002/2003 National Councillors may choose whether to serve on a Standing Committee of the Council, and will be allocated to one such Committee, though the allocation cannot necessarily be to the most preferred Committee. If allocated to a Committee you will be expected to attend all its daytime meetings and the Joint Liaison Meeting, to undertake the duties allocated to individual Committee members and to enjoy the Committee fellowship, as well as attending all National Council meetings as representative of your Area.

First, therefore, say whether you wish to serve, with the necessary commitment, on any Standing Committee:

YES/NO.

Even if you do not, please list your preferences, **starting from 1 as your first choice.**
